We have various scenarios for good and bad weather. A ceremony on our large terrace, under our stretch tent, or on our fully covered terrace. We ensure that the agreed-upon setup is ready, including a romantic corner for the bridal couple, an official table, a microphone, and enough seating for all guests.

THE WEDDING VENUE

From saying "yes" to an unforgettable party! Everything is possible with us.

Since the beginning of 2023, we have been recognized as a wedding venue, which means everything can take place in one location. The place where you get married is a place you always remember. That's why we offer various options at Helling 7.

We are happy to brainstorm with you about the possibilities for different setups and furniture. In addition to our standard furniture, it's also possible to discuss and rent various styles of furniture with us.

LAGERWAL

Lagerwal originated from a passion for conviviality. And we mean that. For us, it means that we enjoy bringing people together with events, delightful drinks, and easy-going food. In the summer of 2023, we opened our doors in Amsterdam North, at an amazing location where you have a view of the boats.

In collaboration with local artists, our location was designed. A sunny terrace with lots of greenery, cool wall art, and bistro tables. And an indoor area where the parties can continue well into the night.

LAGERWAL TERRACE

A large terrace with all amenities. The restaurant is always rented including the event space. Space for dinners, drinks and parties. Our terrace is a little paradise with cozy and snug corners. Take a seat at one of the picnic tables on our premises and enjoy a beer with friends. Or step into one of the containers and, sitting at a bistro table, savor the view of the boats. We have recently covered a large part of the terrace, so it's never a problem when bad weather approaches
